Management

Eugene Cormac

Dedicated and focused senior civil engineer with an M.Eng. and over 10 years experience on various engineering projects. Client retention and optimizing project profitability. End-to-end management of contacts and projects. Negotiation of contracts from \$10 million to in excess of \$500 million. Achieved 100% onsite safety record throughout my tenure. Increased project profitability by 15% average year on year through streamlining processes, improved price negotiations and incentivising project team and onsite workers.

Work experience

Senior Civil Engineer

Jan 2015 - Present

Geisser Engineering, Riverside
