Interests

Make-A-Wish (granting wishes for critically ill children) - makeup artist and face painter

Petra Coyle

Bubbly, fashionable, attentive and creative recent cosmetology graduate keen to start working in the beauty industry. Certified in cosmetology, esthetics, hair styling and manicuring. I have no actual work experience, but have accumulated many practical hours and regularly volunteer as a makeup artist and face painter. Any entry-level role that involves hair care and styling will be ideal as I am eager to learn more and intend to further my studies in that field.
