RESUME OBJECTIVE

Logistics specialist with over five years of experience specializing in process improvement, vendor management, supply chain strategy, and operations management. Proven record leading cross-functional teams to coordinate logistics for global and domestic shipments. Experienced with finding opportunities to reduce procurement costs.

PROFESSIONAL EXPERIENCE

- Sep 2020 - Jul 2018 **Logistics Specialist**
ABC Manufacturing, Boston, MA
 - Manage a team of 15+ warehouse, supply chain, and logistics personnel and lead initiatives to improve team performance and drive employee engagement.
 - Manage freight operations for major manufacturing company, analyze KPIs, oversee inventory, and coordinate deliveries over four sites.
 - Coordinate with supply chain manager about inventory to conduct contract negotiations and identify new vendors for a 25% reduction in material costs.
- Apr 2016 - Jun 2018 **Logistics Specialist**
Mass Manufacturing, Boston, MA
 - Utilized ERP systems to manage and input shipment data.
 - Oversaw all aspects of logistics for a supply chain with over \$3M in annual spending, including forecasting and conducting demand planning.
 - Worked with customers, supply chain teams, warehouses, and vendors to coordinate international and domestic shipments and ensure compliance with all applicable regulations.

EDUCATIONAL BACKGROUND

- 2018 **APICS Certified Supply Chain Professional Certification**
- 2017 **APICS Certified Logistics, Transportation, and Distribution Certification**
- 2016 **Bachelor of Science Logistics**
Boston University, Boston, MA
