ANNA RASHID

Dynamic, detail-oriented and dedicated BSME with 7+ years of experience in manufacturing with multiple production lines. Ensuring manufacturing procedures follow company safety and regulatory standards. Developing new or improving existing equipment and processes to increase productivity, quality and safety. An adept collaborator who can bring diverse teams together to achieve a common goal. Created an app that monitors usage of specific consumables in real-time, which has reduced wastage by 67% and increased gross profit margin by 38% per item.
