Dante Grey

Graduate with a Master of Science in molecular biology (magna cum laude with 4.0 GPA) and 3+ years of experience assisting and overseeing research projects involving isolating and analyzing DNA, RNA, and protein. Seeking a position at ABC Research Team to leverage my lab maintenance and data entry skills to help the research team deliver accurate results.

Work experience

Laboratory Research Assistant

Sep 2022 - Jul 2023

University of Massachusetts, Boston, Massachusetts

- Performed genotyping of mice in five cohorts (250 cages each).
- Established and maintained tissue culture cell lines.
- Identified cell changes under the microscope, determining cell counts on hemocytometers and culture counters with 99% accuracy.
- Introduced a new standard operating procedure for shelving and monitoring tissue culture supplies to increase efficiency by 40%.

Undergraduate Teacher Assistant

Apr 2021 - Nov 2022

Boston University, Boston, Massachusetts

- Performed regular data entry tasks related to student project grades.
- Conducted extensive research into 12 unique project topics and was commended for the quality of research.
- Graded papers over two semesters at about 400 papers per semester.

Research Assistant

Sep 2018 - May 2021

Various, Boston, Massachusetts

- Worked as a volunteer research assistant in several labs.
- Commended by head professor for communication skills and accuracy.

Education and Qualifications

Masters of Science in Molecular Biology

2020 - 2022

Boston University, Boston, Massachusetts

Bachelor of Science in Biology

2016 - 2020

University of Boston, Boston, Massachusetts

Skills

Organization

Project management

Public speaking

Data entry

ECL staining

Autoradiography

DNA and RNA analysis
